

## SALUBRIOUS CLIMATE OF KONA.

Sights at Kailua and Popular Sea Breeze Hostelry.

Paradise for Tourist, Health-seeker and Others—Unparalleled Resources of Section—Ancient Land Marks.

[SPECIAL TO THE ADVERTISER.]

SEA BREEZE HOTEL (Kailua, Hawaii), June 6.—If all the comforts of a home, salubrious climate, picture-like scenery, interesting scenes, ancient land marks, etc., are what the tourist desires, the health-seeker seeking, the over-worked individual anxious for, then by all means come here, if for but a brief stay.

Kailua has attractions by the score, being one of the most historic spots in the islands. Hereabouts the Kamehamehas lived and roamed, their residences, with Kalakaua and Kapiolani, homes of the missionaries—the old Thurston residence, erected long ago and still standing, are among the sights that should and do delight alike the tourist, stranger and kamaaina. Within easy reach and just distant far enough to add zest to the ride, is Kealahou Bay, where Captain Cook was killed and buried, the spot being marked by an appropriate monument.

The sufferer from pulmonary troubles will find here a climate unsurpassed for its salubrity and wonderful remedial effect.

The country adjacent produces excellent coffee and abounds in all kinds of fruit.

Dr. McWayne's place is not far from here, who, with others are accomplishing wonderful results in improving this section.

The Sea Breeze hostelry, which has no superior here or elsewhere considering its natural attractiveness and resources, is situated but a few yards from the landing, directly on the route of the steamer Hall to the volcano. Riding, driving, croquet—games of all kind are available for use of visitors and guests.

The luau given to Kapiolani was successfully held in the old Kalakaua premises. Many natives and foreigners combined in paying their respects to the Queen Dowager. The old musical pavilion was beautifully decorated with ferns and flowers, while all sorts of fruits and eatables adorned the tables. The waves close by made a delightful refrain and accompaniment to the Hawaiian songs sung. The kahilis used were all made of flowers and ferns, and woven by young girls. It was a pretty sight.

Among the guests now enjoying life at Sea Breeze are Miss Lyle, who is much improved since her arrival, Mr. Buchholtz and Mrs. Davis of Kealahou Bay.

## ATHLETES AT THE PARK.

Waity Wins the Match Race With Storey—Other Events.

Local sports have been very much excited during the past few days about a race that came off at Kapiolani race track yesterday afternoon.

This was the outcome of an argument on their respective merits as athletes, between W. F. Storey and H. T. Waity, who decided that the best way to test the matter was a mile foot race.

The conditions were these. Should neither of the contestants finish in six minutes or less, the purse money would be returned to the contributors.

The start was a good one, but the finish was not in such good form.

Waity led off. Storey kept up pretty well, but before the first quarter he showed signs of weakness. Waity kept on and finished in 6 minutes 16 seconds. Storey finished a minute or so later. His time was not taken, as he came in at a walk. The specifications were that it should be a running race.

The second, a quarter mile foot race, arranged on the spot between Chris Holt, Arthur Rice, Vida Thrum and T. H. Petrie, was won by Vida Thrum. No purse offered.

The third was a mile run between W. Chamberlain and T. H. Petrie, the former finishing in 5 minutes 48 seconds. Petrie was out of training and did not make a very good finish.

## Cricket Match.

It is questionable if there will be a cricket match this afternoon, as the men from the Philadelphia may not be able to get leave. All members are expected to be on the ground by 3:30 for practice, should the match fail to take place.

The match will surely be played on 11th of June.

But by improving qualities and reducing prices we are able to do so. Could not do it if we didn't buy direct and save the middle-man's profit.

Don't care to talk our goods too much, but come and see them yourself and be convinced that what we say is true.

If you want genuine bargains for real solid values, without fancy words, but articles that are eloquent in themselves, come here.
